**We are very excited to be reopening and we can hardly wait to see you all again in the shop!**

Before you visit, we want you to know that caring for the safety and well-being of our customers and our staff is of utmost importance. The following efforts will be in practice until we can relax from the virus threat:

- We will arrange for individual appointments if you feel more comfortable, or if you are at a high risk.
- There will be increased and more frequent cleaning of surfaces to maintain proper hygiene.

- All incoming consignment clothing, accessories and jewelry will be treated with an appropriate disinfectant before being placed on the floor.
- Clothing tried on in the dressing room will be sanitized for 24 hours before being placed back on the floor.
- Dressing room surfaces will be wiped down between use.
- Everyone will be expected to wear masks when in the shop.
- We will have masks, gloves and hand sanitizer for our customers.
- If necessary, the number of customers in the shop at any one time will be managed so that social distancing can be maintained.
- Our air filtration system will be constantly refreshed.
- For questions regarding consignment, please call Rosanne at 781-749-6195.
